EVIDENCE-BASED QUALITY TRAINING

We strive to offer no less than excellence in our services. Classes and programs are developed and taught utilizing industry standards and guidelines for PICC & Midline insertion, care, & maintenance by U.S. and international organizations that ensure quality and safety in venous access. The class content of the PICC and Midline Insertion program meets and exceeds current standards for PICC and Midline insertion training.

Training Beyond the Classroom Online training classes are now included with your registration for the PICC and Midline Insertion Workshops.

Workshop Locations: Our PICC & Midline insertion classes are held in Shelton, Connecticut or Queens, New York. The classes are typically scheduled every one to two months.

Other Programs: In addition to PICC and Midline insertion, we offer a variety of comprehensive vascular access training programs in:

[IV Insertion](#)
