You may also fax an application by using the form on page 2 of this brochure. Fax the form to (888) 842-7442.

Requirements:

- 1.) Applicants to this program must be eligible and accepted for registration into our Phlebotomy Certification Class OR our Phlebotomy for Nursing Personnel Class. For details go to: www.piccresource.com/self_study_classes.php
- 2.) Apply for this program along with registration into our online Phlebotomy Class or after enrolment in one of the Phlebotomy Classes.
- 3.) IF YOU HAVE NOT already completed the Phlebotomy Certification Class application, you may apply for both programs using the application found on page 2 of this form.
- 4) The Phlebotomy for Nursing Personnel online class \$99 - must be applied for separately, go to the link above for details or call us.

Note: Although you can take the shorter class Phlebotomy for Nursing Personnel online class to qualify to attend this lab class; taking that prerequisite will not meet eligibility to sit for the phlebotomy certification exam.

Completion of our certification class and lab program does qualify participants to sit for the NHA Phlebotomy Certification Exam. But it does not guarantee that participants will pass the exam. Program participants are solely responsible for studying program material to sit for the NHA exam.
