PICC Resource Associates, LLC is an approved Continuing Education Provider, approved by the Florida Board of Nursing (BRN). Educational Provider Number: 50-26716.
Target Audience (as applicable to the course): Nurses, advanced practitioners, and other health care professionals that may insert IV catheters, or insert PICC, Midline catheters, or draw blood samples as part of their job.

Overall Goals: PICC & Midline Insertion: The participant will demonstrate an understanding of the principles and skills needed to insert and care for PICC and Midline catheters.

Short IV Insertion & Short IV Insertion I (Online): To instruct nurses, and health care professionals in short IV catheter insertion procedures, and in short IV catheter complication prevention and management. Phlebotomy Certification and Nurse Phlebotomy (Online & Private Class): To instruct nurses and other health care professionals in basic phlebotomy venipuncture, capillary puncture procedures, and techniques for prevention of sampling errors.

About PICC Resource Associates: The company is operated by Alice Cennamo MSN, RN, CRNI, CPI, VA-BC. Alice started PICC Resource Associates in 2003 offering training programs for individuals and facilities in Connecticut. In 2006 PICC Resource Associates expanded to offering programs to companies and individuals throughout the U.S. Alice has been a nurse since 1992 and she has focused in the specialty of infusion nursing since 1997. Alice has an extensive background in IV care with clinical and leadership experience in multiple inpatient and outpatient settings. Alice earned a master degree as a nursing educator from Sacred Heart University, additionally she is certified by the Infusion Nurses Certification Corporation as a CRNI (Infusion Nurse Specialist), board certified (VA-BC) by the Vascular Access Certification Corporation, and she has been certified as a Phlebotomy Instructor by the National Phlebotomy Association. Alice is an active member of the national Infusion Nurses Society (INS), the Association of Vascular Access (AVA), and a past President and Internet Chairperson for the INS Connecticut Chapter. Alice currently serves as a member of the INS National Committee on Education (NCOE). In addition to Alice Cennamo, PICC Resource Associates instructors are highly qualified certified infusion and/or vascular access specialist nurses with many years of nursing experience.
